

9.5 Acres overlooking Ramshorn Peak & Painted Hills!

45 Porcupine Dr. Dubois,
WY. \$98,500

Terrific building site. This property is ready to build on with electricity and phone to lot. Located in the Porcupine Subdivision, off Union Pass, with great views, yet is heavy with trees. Wildlife abounds! All outdoor activities close by.

This is your mountain property in every sense of the word. Roads are gravel and access is limited, providing great privacy. Contact us for more information.
